## **IDSA Volunteer Service Agreement**

As a volunteer of the infectious Diseases Society of America, I am fully committed and dedicated to the Society's mission, which is to improve the health of individuals, communities and society by promoting excellence in patient care, education, research, public health, and prevention relating to infectious diseases. I pledge to carry out this mission. I understand that my duties and responsibilities include the following:

- 1. I will adhere to the charge and work plan of the committee, subcommittee, task force or other entity to which I am assigned. I will prepare for and participate in meetings and I will respond in a timely manner to communication from Society staff.
- 2. I will protect the confidentiality of the Society's propriety and privileged information, including its intellectual property, business plans, personnel information and member lists. I will report ethical misconduct to the appropriate individuals.
- 3. I recognize that my professional stature carries weight with others. I will make statements on the Society's behalf only if I have been authorized to do so.
- 4. I have a personal responsibility to update my Conflict of Interest Disclosure Form at least annually, and whenever material changes require.
- 5. I agree to participate in any training and education sessions that the Society provides for volunteer members.
- 6. I recognize that Society volunteer assignments are limited and highly valued. If circumstances prevent me from contributing as expected, I will discuss my stepping aside with the Chair.

## Infectious Diseases Society of America Conflict of Interest Disclosure Form

**Instructions:** Please read, complete, sign, and date this conflict of interest disclosure.

## **IDSA Conflict of Interest Policy**

All volunteer members participating in Society activities and the professional staff should act in the best interest of IDSA. Decisions always should be based solely on the best interest of the Society, its membership, and the public. Decisions should not be influenced by personal financial interest or by other extraneous considerations. Any potential conflict of interest should be disclosed. A potential conflict of interest exists if a person has a financial or other beneficial interest that might bias his or her decisions or actions related to Society activities. However, in the interest of full disclosure, any relationship with a pharmaceutical, biotechnology, medical device, or health related company or venture should be disclosed.

Each volunteer member has a high duty and obligation to disclose any potential conflict of interest and to abstain from any decision where a significant conflict of interest exists. The conflict of interest disclosure forms for each group (Board of Directors, committees, task forces, and work groups) will be reviewed by the group's chair and will be made available to the other members of the group. It is the responsibility of each group to determine what, if any, limitations on activities with regard to the individual member's conflict are required. All disclosure filings will be reviewed by the Conflict of Interest (COI) Ethics Committee.

Acknowledgment of this policy and disclosure filing will be done by each volunteer member and senior staff annually and kept on file in the IDSA headquarters office. In between annual filings, it is the responsibility of each individual to disclose in writing any new potential conflicts of interest.
